We hope your child is settling into his/her dance class and that they are learning lots and having fun!

Please feel welcome to stay and enjoy the viewing area, we encourage you to watch your child's progress through our viewing windows. In an effort to maintain a quality learning environment please understand that if there are distractions we will have to close the blinds.

The teachers are always happy to discuss your dancer's progress, please do not hesitate to ask. A phone call is appreciated if your dancer is going to be away from class, this way we will not worry about the students in their absence.

Parent and dancers – Please remove all outside footwear at the entrance and place all shoes on the shelves provided. This will ensure the dancer's shoes and stockings remain dry and clean when the wet and snowy season arrives. Thank you.

To dancers, please make sure that your hair is neatly pulled back and the appropriate dance attire is worn to all dance classes, a neat and tidy appearance is an essential part of dance discipline. Please make every effort to arrive for class on time. All dancers require a thorough warm-up to prevent injury and this is done at the beginning of class.

We request that dancers do not use the washroom as a change room. Thank you.

Please note that the studio will be closed on Saturday October 10th and Monday October 12, 2009. As well, Counterpoint will be closed on Remembrance Day Wednesday, November 11th. We wish to ensure you as per your registration form that the dance fees have been prorated to reflect missed dance classes. Thank you.

Please note that the main studio door may be locked after the start of some of our late night classes. If you are picking up your dancer and find the door locked it is in the interest of security. The door will be opened at the end of class for you to pick up your dancer. As well, the studio will remain open 10 minutes after the last class of the evening. We kindly ask that you ensure your dancer is picked up on time. Thank you.

On behalf of all the teachers and staff at Counterpoint Dance Academy we wish you a successful and enjoyable year!

Sincerely Yours,
Gillian Howatt
Director Counterpoint Dance Academy
